BRENTON T. KANDHAI

FULL STACK DEVELOPER • 15+ YEARS VERIFIED EXPERIENCE

OFFICIAL PORTFOLIO
OFFICIAL EDITION • 2026

EXECUTIVE OVERVIEW

Engineering High-Performance Web Applications, Scalable Backend Systems & Modern Applications.

15+ years of verified expertise architecting enterprise web systems, custom full stack applications across Node.js, Python, C++, TypeScript, React, and PHP, scalable WooCommerce & Shopify e-commerce engines, and high-conversion UI/UX workflows. Complemented by secondary specializations in Google Ads, technical SEO audits, and 3D architectural brand activations.
